Industrial Platform Scale **ARBO**weigh

ARBO Engineering is pleased to introduce its new line of **ARBO**weigh platform scales for high performance weighing in the toughest industrial environments.

ARBOweigh scales are equipped with the following standard features:

- High precision analog load cells, sealed and resistant to corrosion.
- 100% sealed wash down frame (stainless steel version only)
- Compatible with many weight indicators and all ARBO LIW controls and analog weigh rate controllers
- Clean convenient design
- Stainless steel frames available for food/pharmaceutical applications

Shown on left from top to bottom are
 12x12, 16x16 and 24x24 scale

ARBOweigh scales are available in four configurations:

| SIZE | | LOAD CELL | PRICE USD | |
|-----------------|-----------|---------------|-----------|---------|
| Metric | Imperial | | CS | SS |
| 300 mm x 300 mm | 12" x 12" | 15 to 50 kg | \$760 | \$820 |
| 400 mm x 400 mm | 16" x 16" | 30 to 150 kg | \$860 | \$920 |
| 600 mm x 600 mm | 24" x 24" | 50 to 300 kg | \$960 | \$1,060 |
| 800 mm x 800 mm | 32" x 32" | 150 to 500 kg | \$1,060 | \$1,180 |
